## Our Parish Today

- We serve a diverse family of faith in Rockland County with 725 faithful households.
- 198 young people are taught about their faith by 30 volunteer catechists through our Religious Education program.
- Each day in a number of ministries, we joyfully live out our faith and serve the Lord.
  - We are most proud of our Food Pantry, which feeds many families (in our parish and not) in Rockland County
- We are a growing parish where this past year 25 babies were baptized, 8 couples celebrated the sacrament of marriage, and 62 young adults received confirmation.
